

Mobile App

Follow these steps if your iPhone settings prevented the MSDFCU Mobile app from updating automatically.

The MSDFCU icon on your phone should be updated from

To update it manually

1. Open **App Store** on your iPhone.

2. Search **"MSDFCU"** or Merck Sharp & Dohme"

- 3. Select the new app. **Click "OPEN"**
- 4. After it is open. Click on "UPDATE"

5. Return to your home screen, open the new MSDFCU app, and log in.

FYI: For iPhones you should not need to delete the old app.
