

EXPERIENCE THE CONVENIENCE OF CREDIT MONITORING IN JUST A FEW TAPS.

GETTING STARTED WITH CREDIT SENSE

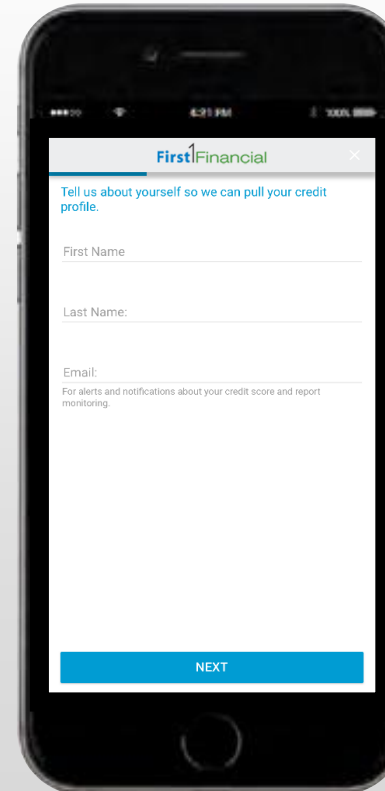

If you have not yet enrolled for Credit Sense you can get started by tapping *My Credit Score* on the mobile banking landing screen.

For your first time you will need to click *Get Started* to access their credit score.

Next you will need to complete your credit profile and accept the terms and condition to enroll in Credit Sense and get access to your credit score.

Registered Credit Sense users are able to view their credit score, learn about factors to help improve their credit score, explore targeted financial products, and sign up for credit monitoring alerts—all from the convenience of their mobile banking app.
