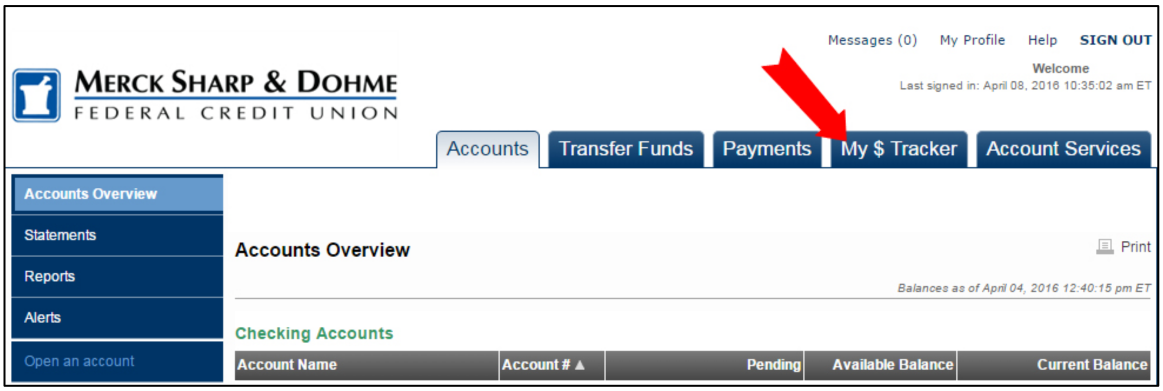
How To: My $ Tracker

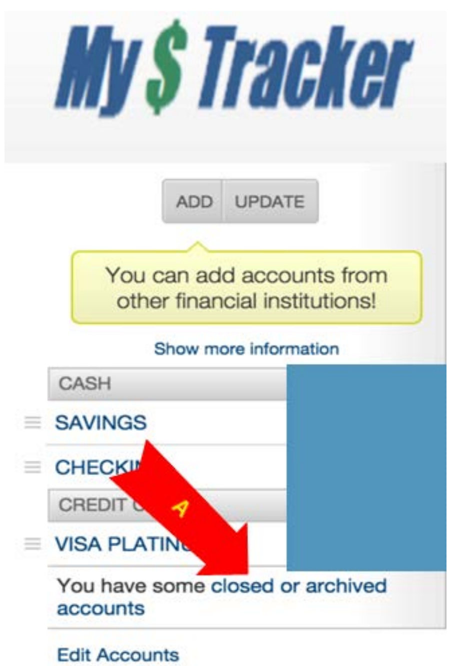
There are two items to be aware of after the upgrade.

- You will have some accounts you can choose to archive or delete.
- You must re-establish account connections.

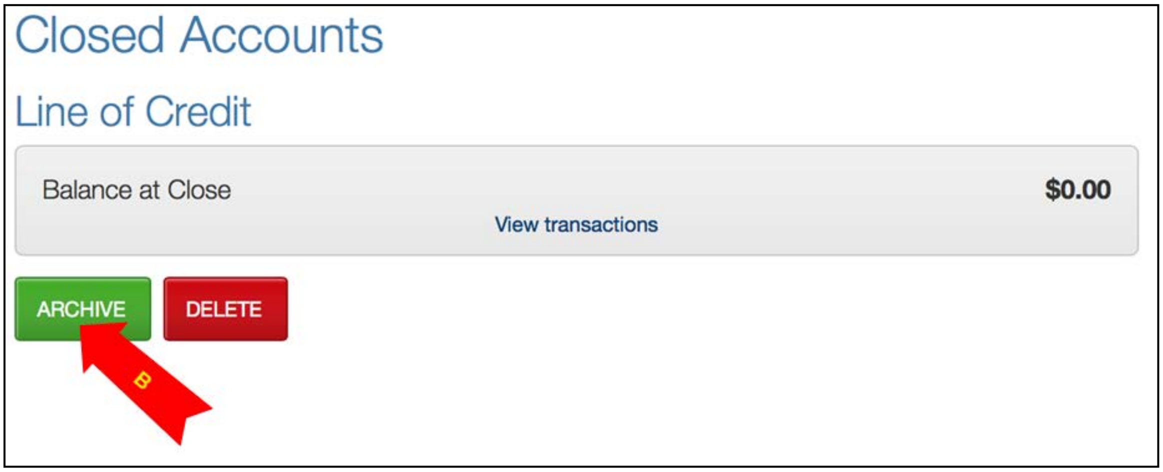
1. Access My $ Tracker from Online Banking using the top tab navigation labeled My $ Tracker.



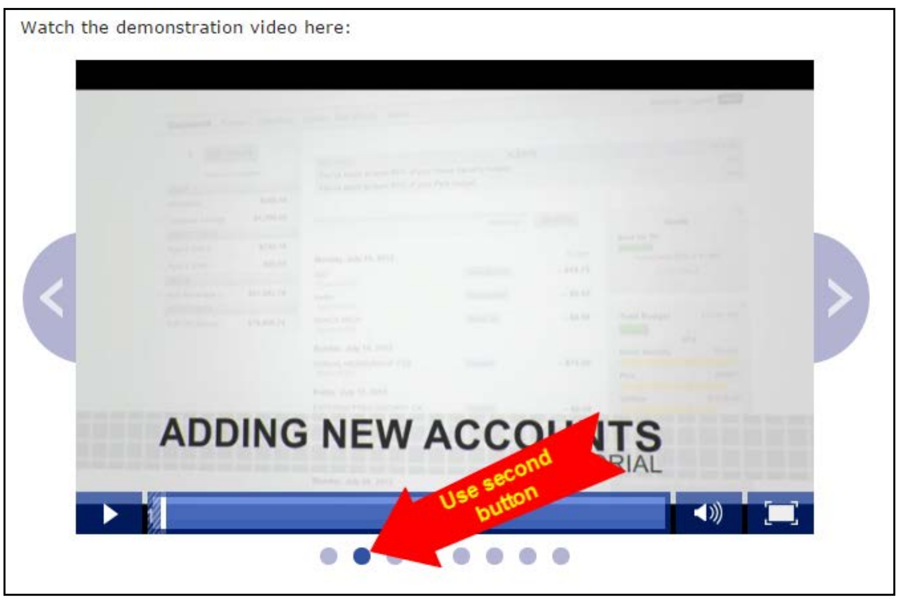
2. Inside of My $ Tracker - archive or delete old accounts.
   A. From the dashboard page click on the "closed or archived accounts" link.



B. You will be brought to this screen, Select “Archive”, your account will no longer show throughout My $ Tracker, but will always be accessible to view (including transactions) via the “closed or archived accounts” link under the Accounts listing.



3. For a guide on reestablishing accounts view this [video]() on adding connections from our [website]() under eServices>My $ Tracker.



- From within My $ Tracker contact support by clicking on the Help button in the top right corner of the tab menu. You’ll find many frequently asked questions and an online support form in this section.
