

K - 9 Quarterly

Summer 2022

Paper Plate Llamas

via handmadecharlotte.com

What you'll need:

- Acrylic Paint
- Paintbrushes
- Scissors
- Pencil
- Hot glue gun

Directions:

1. Cut your paper plate in half. One half will be the body, and the other is for the head, legs, and tail. First, use the pencil to draw a simple llama neck and head along the cut edge of the paper plate.

2. Cut out the head and use the remaining paper plate scrap to cut out four legs and a tail. The legs are just rectangles with rounded ends, and the tail is a small raindrop shape.

3. Use the hot glue gun to assemble the llama, gluing the head, legs, and tail onto the body.

4. Time for the fun part- use acrylic paint and apply it onto the llama to make a face, ear details, a blanket for its back, and even a collar if you like. Let dry.

5. Repeat and make lots of llamas! Use washi tape to stick them onto the wall for fun party decorations or even glue a popsicle stick to the back and use it as a fun puppet.

Summer Reading

I want to know!

What is your favorite book and why?

Name: _____ Age: _____ Phone Number: _____ Email: _____

Prize Choice (circle one): stuffed toy draw-string backpack baseball cap t-shirt, choose size: YS (6-8) YM (10-12) YL (14-16)

HOW
